3. No action has been or will be taken in any jurisdiction by, or on behalf of, the Company which would permit a public offer of Offer Shares in any jurisdiction where action for that purpose is required, other than the United Kingdom, nor has any such action been taken with respect to the possession or distribution of this document other than in the United Kingdom. No person receiving a copy of this document or any supplementary prospectus filed with the FCA or an Application Form in any territory other than the United Kingdom may treat the same as constituting an invitation or offer to him nor should he in any event use such Application Form unless, in the relevant territory, such an invitation or offer could lawfully be made to him or such Application Form could lawfully be used without contravention of any registration or other legal requirements. It is the responsibility of any person outside the United Kingdom wishing to make an application for Offer Shares to satisfy himself as to full observance of the laws of any relevant territory in connection therewith, including obtaining any requisite governmental or other consents, observing any other formalities required to be observed in such territory and paying any issue, transfer or other taxes required to be paid in such territory.

4. The basis of allocation will be determined by the Company (after consultation with Beaumont Cornish Limited) in its absolute discretion. It is intended that applications will be accepted in the order in which they are received. The Offer will be closed on 27 August 2021 (31 March 2021 in respect of applications for the 2020/21 tax year) or as soon as full subscription is reached (unless extended by the Directors or closed earlier at their discretion). Shares may be allotted notwithstanding that the Offer is not subscribed in full and the right is reserved, notwithstanding the basis so determined, to reject in whole or in part and/or scale down any application, in particular multiple and suspected multiple applications, which may otherwise be accepted. Application monies not accepted or if the Offer is withdrawn will be returned to the applicant in full by means of a cheque, posted at the applicant's risk. The right is also reserved to treat as valid any application not complying fully with these terms and conditions of application or not in all respects complying with the application procedures contained in the Application Form. In particular, but without limitation, the Company (after consultation with Beaumont Cornish Limited) may accept applications made otherwise than by completion of an Application Form where the applicant has agreed in some other manner to apply in accordance with these terms and conditions. The Offer is not underwritten. The Offer will be suspended if at any time any of the Company is prohibited by statute or other regulations from issuing Offer Shares.

5. Save where the context requires otherwise, terms defined in the Prospectus and any supplementary prospectus filed with the FCA bear the same meaning when used in these terms and conditions of application and in the Application Form.

6. Authorised financial intermediaries who, acting on behalf of their clients where those clients are non-advised Investors (and an enhanced value service has been provided in accordance with the extended prohibition on inducements under FCA rules) or where their client are 'professional clients' under the FCA Rules who have received only restricted advice, return valid Application Forms bearing their stamp and FCA number will normally be paid 2.0% commission on the amount payable in respect of the Offer Shares allocated for each such Application Form. In addition, provided they continue to act for their client and the client continues to hold such Offer Shares, such intermediaries will be paid an annual trail commission of 0.5% of the net asset base value for each such Offer Share. For this purpose, "net asset base value" means the net assets attributable to the Offer Share in question as determined from the audited annual accounts of the Company as at the end of the preceding financial year. It is expected that annual trail commission will be paid 5 months after the year end of the Company in each year. The administration of annual trail commission will be managed by the Promoter which will maintain a register of intermediaries entitled to trail commission. The Promoter shall be entitled to rely on a notification from a client that he has changed his adviser, in which case, the trail commission will cease to be payable to the original adviser and will be payable to the new adviser if one is appointed. No payment of trail commission shall be made to the extent that the cumulative trail commission would exceed 3.0% of the amount subscribed for each such Offer Share or in respect of any period commencing after the sixth anniversary of the closing date of the Offer. Financial intermediaries should keep a record of Application Forms submitted bearing their stamp to substantiate any claim for commission. The Receiving Agent will collate the Application Forms bearing the financial intermediaries' stamps and calculate the initial commission payable which will be paid within one month of the allotment.

7. Financial intermediaries may agree to waive initial commission in respect of your application. If this is the case then the amount of your application will be increased by an amount equivalent to the amount of commission waived through the mechanism of the Pricing Formula. Applications received before 5.00pm on 29 January 2021 will be entitled to a 0.5% early application discount. Existing Shareholders will be entitled to an additional 0.5% loyalty discount on applications received at any time prior to the closing of the Offer. All such early application and loyalty discounts will be applied through the mechanism of the Pricing Formula.

8 Where Application Forms are returned by you or on your behalf by an authorised financial intermediary who has given you a personal recommendation in respect of your application having first categorised you as a retail client under the FCA Rules, the Company will facilitate the payment of any Adviser Charge agreed between you and your intermediary, as validated by your completion of the relevant box on the Application Form. The amount of the agreed Adviser Charge will be facilitated by the Company making a payment equal to the Adviser Charge direct to the intermediary which will be taken into account when applying the Pricing Formula to your subscription, and will reduce, the number of Offer Shares which are issued to you on the basis set out on page 18 of the Prospectus.

9 There has been no material disparity in the past year (from the date of this document), nor shall there be under the Offer in the effective cash cost of Offer Shares to members of the public as compared with the effective cash cost of Offer Shares to members of the Company's management (including its administrative and supervisory bodies) or their affiliates.

10 Where Application Forms are returned on your behalf by an authorised financial intermediary, the Promoter at its sole discretion will determine the Promoter's Fee applicable to your application for Offer Shares, subject to a maximum of 5.0% of the initial Net Asset Value per Offer Share.

11 Non-material amendments to these terms or to the procedure for making applications under the Offer may be made at the discretion of the Directors without giving prior notice to applicants.

Lodging of Application Forms and dealing arrangements

Completed Application Forms with the appropriate remittance must be posted or delivered by hand on a Business Day between 9.00am and 5.00pm to the Receiving Agent. The Offer opens on 8 September 2020 and will close on 27 August 2021, or earlier at the discretion of the Directors. If you post your Application Form, you are recommended to use first class post and to allow at least two Business Days for delivery. It is expected that dealings in the Offer Shares will commence three Business Days following allotment and that share certificates will be dispatched ten business days of allotment of the Offer Shares. Allotments will be announced on an appropriate Regulatory Information Service. Temporary documents of title will not be issued. Dealings prior to receipt of share certificates will be at the risk of applicants. A person so dealing must recognise the risk that an application may not have been accepted to the extent anticipated or at all. To the extent that any application is not accepted any excess payment will be returned without interest by returning the applicant's cheque or banker's draft or by sending a crossed cheque in favour of the applicant through the post, at the risk of the person entitled thereto.
